

Taking U  
Out of Utilities

# Do I Have to Set Up Utilities?

Your utility accounts will be set up automatically by FirstKey Homes and managed by YES Utilities. Statements will be provided by email and will also be visible on the Resident Portal. Statement and payment dates may vary by market; contact YES Energy Management at 833.363.7963 for details.

FirstKey Homes, LLCTM works with YES Energy Management, Inc. to establish and manage your utilities. There is a monthly convenience fee of **\$7.00**, and these fees go directly to YES Energy Management, Inc.; no part of the fee goes to FirstKey Homes, LLC.

Depending on when you signed your lease, your utility requirements may differ. Please refer to section 10 of your lease or reach out to your Property Manager if you are unsure.
